STANDARD 100

### Description

Black Tiger is a S3 SRC WRU protection class safety boot recognized for its lightness and comfort. Developed with a water repellent microfiber, a breathable textile lining and an abrasion resistant direct injected PU sole, significantly reducing the overall weight of the shoe. Foot health and comfort are ensured by the composite toe cap and flexible kevlar midsole making it a 100% metal free product. This product is incorporated with Clima Cork System technology which regulates the temperature of the feet.

Unisex safety, size 35-48, Black Tiger is ideal for logistics, transport, & everyday activities.
