Subcategory	Quick adjustment anchor

## GRILLON Anchor

The adjustable GRILLON anchor can be used to quickly set a fixed anchor point. The length of rope required to set it is easily adjusted with the integrated self-locking device.

V3 10/10/2016  
1 / 3

---

**Short Description** Quick adjustment anchor

---

**Selling Points**

- Allows quick installation of an adjustable anchor that is longer than two meters
- The self-locking device allows easy adjustment of the length and tension at the anchor point (make a mule knot on the GRILLON to lock the anchor)
- Semi-static rope, resistant to aging and abrasion
- Sewn terminations on both ends with plastic sheath to keep the connector in position and protect the rope from abrasion
- Available in four versions (connector not included):

---

**Specification**

- Certification(s): CE EN 795 B, EAC
-

**Specifications by reference**
