- Lift-out, prepacked baskets speed access and guard contents from UV
- PIG Oil-Only Booms stop spreading spills; PIG Stat-Mat absorbs quickly
- Absorbents meet ANSI and MIL spec standards for static decay to allow use with fuels and flammables
- Lightweight, 100% polyethylene container resists chemicals and keeps contents clean and dry

<b>Warnings &amp; Restrictions</b>	: NOTE: A PIG Overpack Protection Cover is suggested for outdoor use to protect container against the effects of weathering and long-term UV degradation.
