## Description

- Contains supplies for rapid response to roof leaks, all in a 24.6-litre pail
- Pail lid has a removable plug to allow the drainage hose to be inserted without having to remove the lid
- Pail can be used as a collection container for diverted liquid; printed "Caution" message doubles as a warning sign
- Nonpermeable tarp is vinyl coated for strength and durability; resists punctures, UV and mildew for long life
- Translucent material lets light through and allows easy monitoring of leak
- Preinstalled quick connect set lets you attach hose to leak diverter in seconds

**Warnings & Restrictions** : Not suitable for temperatures over 77°C. Nominal Dimensions: Dimensions are nominal size due to pinched corners and reinforced side walls.
