

## Helium

### Indoor/Outdoor Anti-Fog/Anti-Scratch

Hellberg Helium safety glasses are very light weight and have an easy fit design. Standard equipped with Anti-Scratch and Anti-Fog coating and is available in 3 lens colors to suite various applications. The slim temple shape makes it ideal for use in combination with hearing protection, minimizing any negative attenuation effect.

Art no. 20131-001

01

## Features

### **In/Outdoor Silver Mirror Lens**

Blocks sun glare and artificial light while brightening details in low light conditions. Suitable for in/outdoor applications such as forklift drivers, moving between sunlight to artificial light or low light conditions.

### **Anti-Scratch Coating**

Protects both sides of the lens against surface scratching increasing the lifespan of the eyewear.

### **Anti-Fog Coating**

Prevents both sides of the lens from fogging or steaming up when exposed to warm humid environments.

### **Dual Material Temples**

The soft rubber material covering the hard plastic temple enhances the wearer comfort. A groove pattern ensures a good grip when moving around.

### **Light Weight Design**

The lightest safety glasses in our range and one of the lightest on the market. Comfortable to wear all day long, almost without noticing it.

### **Ideal for Use in Combination with Hearing Protection**

The slim temple design minimizes any leakage to the hearing protectors ear cushions, retaining a good seal between cushion and the face with very little noise attenuation loss.

## Approval Info
