

**PRODUCT NUMBER: 732****Camatril 732**

Camatril® 732 is a proven, top-quality protective glove made of high-quality nitrile, for a wide range of applications. The large spectrum of chemical resistance makes this a versatile glove suitable for numerous fields. Good flexibility, anatomical design and excellent fit ensure a good sensitivity. The flock lining offers additional wearing comfort. With its 400 mm length it protects a large part of the forearm. This glove is approved for food handling and processing according to EU 1935/2004.

**Honeywell**

## Overview

**Reference Number**

732

**Product Type**

Gloves

**Range**

Chemical Protection

**Line**

Heavy chemical

**Brand**

KCL by Honeywell

**Brand formerly known as**

KCL

**Industry**

- Automotive and Part Manufacturer
- Chemical Industries
- Food Industries
- Industrial Cleaning
- Laboratory
- Maintenance
- Petro-chemical

**Product Use**

- agriculture and horticulture
- laboratory work
- automotive and supply industry
- petrochemical and printing industry
- paint shops
- food industry
- chemical industry
- maintenance and cleaning
- handling of epoxy resins

## Features & Benefits

### Feature

AQL < 0.65 good antistatic and electrostatic properties absolutely silicone-free and lacquer indifferent suitable for food handling according to EU 1935/2004

### Benefit

good grip when handling wet parts excellent sensitivity good resistance against a variety of hazardous substance groups good temperature flexibility high mechanical resistance

## Technical Description

### Description

Unsupported green nitrile. Flock lined. Roughened palm. Long cuff. EN ISO 374-5:2016

### Product Technology

Dipped

### Glove/liner color

Green

### Coating Type

Nitrile

### Length

390-410

### Thickness

0,4

### Harmlessness

In conformity with European standards

### Sizes

7,8,9,10,11

## EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance (Coupe test)	0
Tear resistance	0
Puncture resistance	0
Cutting resistance (TDM test)	X

## EN ISO 374-1 Resistance to

Resistance to permeation by chemicals	Type A - AJKLOT
---------------------------------------	-----------------

## Certifications

### EU Category PPE

3

### EU Certification

0075/1445/162/07/18/1534
