Description

Black Panther is a S3 SRC WRU protection class safety shoe recognized for its lightness and comfort. Developed with a water repellent microfiber, a breathable textile lining and an abrasion resistant direct injected PU sole, significantly reducing the overall weight of the shoe. Foot health and comfort are ensured by the composite toe cap and flexible kevlar midsole making it a 100% metal free product. This product is incorporated with Clima Cork System technology which regulates the temperature of the feet.

Unisex safety shoe ranging from size 35 to 47, Black Panther is ideal for logistics, transport, and everyday activities.
